GROUP LEADERS AND ISTs: Please register yourself and your group (if any) to this Finnish event. Group registration, group leader/IST registration and group member registration can all be done through this link. Some group questions are relevant to ISTs as well.

---

### [Sign up with the code](#)

GROUP LEADERS, ISTs and GROUP MEMBERS: Log in after initial registration or register yourself (group members only), if you have already received the group (leader) registration code. The group leader/IST receives this code after registering for the first time and group members from your group leader. A group member receives a personal registration code upon the first login. A group member cannot do the registration by him/herself without the group registration code and in this case the group leader will do the registration on behalf of the group member.
